Authorization for this examiner's amendment was given in a telephone interview with Mr. Rod D. Baker on 3/18/2004.

The application has been amended as follows:

- Cancel claim 10.
- Claim 1, line 4, after "strap" insert --, wherein said rod comprises an aperture for receiving said strap there through--.
- Claim 14, line 3, replace "the affected" to --an affected--.
- Claim 14, line 5, replace "the wound" with --a wound-- and after "heart" insert --of a patient--.
- Claim 14, line 8, replace "the free" with --a free--.
- Claim 14, line 11, replace "pocket assemblies" with --at least one pocket assembly--.
- Claim 14, line 12, replace "pocket assemblies" with --at least one pocket assembly--.

Reasons for Allowance

2. The following is an examiner's statement of reasons for allowance: Claims 1-9 and 11-14 are allowed because the prior art fails to disclose or suggest a tourniquet comprising in combination with other limitations of the claims, a rod slidably disposed along a strap, the rod having an aperture for receiving the strap there through and at least one pocket assembly slidably disposed on the strap for receiving at least one end of the rod.

Hunt (6,053,169) discloses a rod slidably disposed along a strap and at least one pocket assembly slidably disposed on the strap for receiving at least one end of the rod. However, Hunt fails to disclose the rod including an aperture for receiving the strap there through.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
